Motor Insurance Database

Information relating to your insurance policy will be added to the Motor Insurance Database (MID) which is managed by the Motor Insurers' Bureau (MIB). The MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration number details are shown on the MID at www.askmid.com.

Detecting and Preventing Fraud

In order to keep premiums as low as possible for all of our customers, we participate in a number of industry initiatives to aid the prevention and detection of crime, especially insurance-related fraud. We pass information to the Claims and Underwriting Exchange Register and the Motor Insurance Anti-Fraud and Theft Register operated by the Motor Insurers' Bureau (MIB). We may search these registers and any other relevant databases in order to make decisions regarding the provision and administration of insurance and, when you make a claim, to validate your claims history or that of any person or property likely to be involved in the claim.

As part of our anti-fraud processes, information will be passed to third party credit reference agencies for the purposes of identity verification only. As part of the identity verification process, your information will be checked against a range of databases/registers and a 'soft footprint' will be left on your credit file for a period of 12 months. Unlike standard credit checks, soft footprints do not affect your credit score and you are the only person who can view them on your credit report.

- ii. You adhere to the terms and conditions under the heading "Claims handling" in the General Conditions section of this policy document;
- iii. We deem the cost of repairing your vehicle to be economical.

As an alternative to repairing your vehicle, we may deem it appropriate to either replace your vehicle with one of a similar specification or pay you a monetary amount equal to the cost of repairing the damage less any policy excess which is applicable (see Sections 2.9 and 2.10).

2.2 Total loss

We will normally declare your vehicle a total loss:

- If we deem the cost of repairing your vehicle as uneconomical; or
- If your vehicle has been stolen and not recovered.

If your vehicle is declared a total loss as a direct result of an insured event (as above), we will offer you a monetary amount as compensation. The maximum amount we will pay is the market value of your vehicle, less any policy excess which is applicable (see Sections 2.9 and 2.10).

Once you have accepted our offer, this vehicle will become our property. Once your total loss claim has been settled, cover in respect of this vehicle will cease immediately and we will retain the full premium charged for it.

We may give you, at our discretion and if the current regulations allow, the option of retaining the vehicle salvage subject to a deduction from the compensation amount we offer you.

2.3 Vehicle service/repair

We will provide the same level of cover that your policy has under Section 2 whilst your vehicle is in the custody or control of a member of the motor trade for the purpose of being serviced or repaired.

We will pay for the reasonable cost of transporting your vehicle to a repairer near to its location if it is damaged following an accident and cannot be driven provided that the damage is covered by this policy.

2.5 Ownership of your vehicle

If your vehicle is subject to a hire purchase or lease agreement and is declared a total loss, any payments we decide to make will instead be made to the finance or leasing company as specified on your contract with them.

The maximum amount we will pay is the market value of your vehicle, less any policy excess which is applicable (see Sections 2.9 and 2.10). If there is still an amount owing to the finance or leasing company after we have settled your claim, then you are responsible for this amount.

2.6 New vehicle replacement

Section 2 - Loss of or Damage to Your Vehicle

2.10 Young and inexperienced drivers

• Between 21 and 24 years of age	£200
• 25 years of age or over but holding a provisional UK driving licence or a full UK driving licence for less than 12 months	£200

The above amounts are in addition to the compulsory policy excess which applies but does not apply when the damage is caused as a result of fire or theft.
